TO-NIGHT'S CAMP FIRES. Programmes of the Four Great Meetings to

Re Held in the Churches. As the reception at Tomlinson's Hall to night is of necessity limited to such per-

sons as shall receive invitations, the committee in charge of camp fires has arranged four meetings in churches for the entertainment of visitors and citizens generally. The committee was very fortunate in securing the use of four churches all within

three squares of Washington street, and all street, Wednesday, 9 A. M. within the distance of one square, so that the overflow or change from one to the other will be convenient. The churches are Meridian-street Methodist, Plymouth, First Presbyterian and First Baptist, all on New York street and adjoining University Park.

The Army of the Cumberland, General Berry presiding, will be at Meridian-street Church. General Harrison will speak at this meeting late in the evening. The Army of the Potomac will be at

The first card contains the title, the second the programme in detail, the third a picture of Colonel Lilly, marked Vicksburg, 1865; the fourth a fine picture of him as he appears at the present time, and the last a portrait of Col. George W. Jackson, the first commander of the Ninth Indiana Cavalry. taken in 1864. Colonel Lilly has received letters from more than a hundred of the survivors of his old battery, stating that they would be on hand, and would of course attend the reception, and there will undoubtedly be a very large attendance. The Colonel proposes to treat the boys royally, and will make their visit one long to be remembered as one of the pleasantest rounions they have ever had since they were mustered out at the close of the
